Dear David

We would like to say a huge thank you to you and your wonderful team for the excellent building you have constructed for us in Burvill Street, Lynton.

Your team of workers and sub-contractors have done a wonderful job in very difficult conditions and in a short time frame. They all performed their jobs to a very high standard and were managed by a wonderful young man by the name of Allan Clements.

I would have no hesitation in recommending you to any of my colleagues in the NHS and please pass on our thanks to all the individuals involved.

Yours Sincerely,

Dr J B Frankish  
Dr G W Allaway  
Mrs Val Pugsley
